# About Us

***WE PROVIDE A COST-EFFECTIVE SERVICE THAT HELPS THE AVERAGE AMERICAN  
SAVE MONEY ON THEIR UNCONTESTED LEGAL MATTERS.***

## Customer Service

We work really hard to communicate knowledgeably, clearly and correctly with our licensees. We care about our Licensees and work hard to connect with each and every one of them. We work hard to resolve any challenges and make sure we see them through resolution.

## Pride & Quality

We take pride in the quality of our legal forms. We know our most important goal is to provide an affordable legal service to our licensees. Our licensed paralegals deliver professional legal forms that will continue to earn your confidence in our brand.

## Our Team

Every member of our team is dedicated to supporting each of our Licensees and their clients in every way possible. We work hard to ensure your experience with us is rewarding. We know that success rests ultimately in the hands of our people.

*We provide an affordable system to the 50 Million Americans each year who are looking to save money on legal services that do not require a lawyer.*

*We have prepared thousands of legal documents and have an extensive network of licensed paralegals nationwide that prepare documents quickly and accurately.*

*We provide simple workbooks written in lay-men's terms that are easy to understand. The average time it takes to fill out one of our workbooks is 15 – 20 minutes and our documents get turned around in as little as 3 to 5 business days.*

*Most of our prices are about 70% less than what a lawyer would charge you for the exact same document.*

***“We make the process very simple and very easy.”***
